

Hello and welcome to the last addition of the ECS newsletter for 2009.

This year has been a turbulent time for the printing industry with many printers, distributors and even machine manufacturers suffering. Despite such a difficult year we have seen growth across our business specifically within our export market. The introduction of our Sales office in Thailand and the employment of Tom Cropper has been key to this growth and development.

Furthermore and with the recent introduction of the Elite font solutions this has opened up a further customer base worldwide.

ECS plans further expansion for 2010. This will be helped by the fourth coming IPEX exhibition where we will be exhibiting. Please come and visit the team at our stand. Further details of IPEX will follow in the upcoming newsletters. We hope to bring some new developments to the exhibitions along with revised literature and a newly designed website.

ECS will also be participating in the upcoming exhibition in Delhi. India is a developing market we hope this exhibition will help us to continue our growth. Please come along to our stand where we will be only to pleased to discuss our product range.

Christmas arrived a little early at ECS with the arrival of Amelie Poole, our new Export Coordinator. Amelie brings to ECS a wealth of knowledge as well as being fluent in 2 additional languages (French, being her native language and Spanish).

If you wish to contact Amelie you can via sales@ecsnotts.co.uk

We at ECS would like to take this opportunity to thank all our customers for the support in 2009 and we look forward to continued success for next year.

Wishing you all a very merry Christmas and a prosperous new year

For further information or any advice on the above topics or other products in our range please contact: -
