- SND221 – 25 Micron Coated Powder
- SND222 – 30 Micron Coated Powder
- SND223 – 50 Micron Coated Powder

**** Available in 1kg packaging / 10kg per box ****

Aerosols

- SND401 – Anti-skin Spray
- SND400 – Silicone Spray
- SND404 – Colour Start Spray

**** Available in boxes of 12 tins ****

Hand Cleaners

- PP014 Anti Bacterial Hand wash

A quality product with excellent ink solvency. It is formulated solvent-free, using biodegradable soaps and detergents to boost its cleaning power and contains humectants to help naturally replenish lost moisture in skin as well as pumice for deep cleaning with exfoliating effect.

Blanket Repair Kit – SND100

- A temporary fix for low spots and dents found within offset blankets.

Pastes

- **SND103 Roller Cleaning Paste**

Our SND103 is a high viscosity paste designed for deep cleaning and ideally suited for colour change applications. It is non grit and effective at removing all the non soluble roller deposits.

- **SND104 Idle Lubrication Paste**

Our SND104 is a special lubricant based paste/ gel which is designed to run on inactive printing units to avoid excessive roller friction and wear while running.

- **SND128 Bio Shampoo**

Our SND128 is a specially formulated roller shampoo to remove stubborn staining and revive rubber to a new fresh standard.

Equipment

- Gloves
 - GLV100 Disposable Gloves
 - XXL/XL/L/M
 - GLV200 Nitrile Gloves
 - XXL/XL/L/M
- SND106 – Compressed Sponges
